EDUCATION LEADERS, YOU'RE NOT ALONE

You have colleagues all across the country facing the very same issues you do, sharing your same hopes and concerns and diligently working to find what works and what doesn't.

CEE Masterminds bring educational leaders together to help one another solve the most pressing problems facing you right now.

In just 90 minutes a month, CEE Masterminds provide the opportunity to problem solve and learn with other administrators outside your own district. You'll come away with new strategies, solutions and lasting connections.

HOW IT WORKS

- A monthly online session
- Expert facilitators from CEE
- You pick the topics
- Small groups (10-15 people)
- Complete confidentiality
- Resource-packed summaries
- A new network of colleagues
- Ideal for superintendents, principals or any other school leader
